OXFORD HOUSE COURSES

GENERAL ENGLISH

Overview

Students join multi-national language classes and study 15 hours per week, following a syllabus closely mapped to the Common European Framework of Reference for Languages, covering key language domains and competencies appropriate to their level of ability.

Objectives

This programme of study is intended to enhance the all-round language and communication skills of those who wish to work or study more effectively in an international context.

GENERAL ENGLISH PLUS

Overview

Students join multi-national language classes and study 20 hours per week following a syllabus closely mapped to the Common European Framework of Reference for Languages, covering key language domains and competencies appropriate to their level of ability with additional work on fluency and pronunciation.

Objectives

This programme of study is intended to enhance the all-round language and communication skills of those who wish to work or study more effectively in an international context.

ENGLISH FOR BUSINESS SUCCESS

Overview

You will learn essential Business English Skills, such as; the Language of Presentations and Meetings, Negotiating in English, Agreeing and Disagreeing, Confident Speaking at Seminars, Events and Conferences, while being able to communicate in English at work or socially (check location availability).

CONVERSATION & PRONUNCIATION

Overview

Our Conversation and Pronunciation English Programmes focus on developing speaking skills, improving pronunciation, and building conversational skills and strategies.

Objectives

This will help you express yourself confidently and effectively in spoken interaction, both socially and in more formal settings and global situations (check location availability).

ENGLISH FOR ACADEMIC PURPOSES

Overview

The OHC English for Academic Purposes is aimed at students who require English for use in Higher Education or University. Programmes focus on Performance in English at University level, Study Skills and Fluency Practise.

Objectives

Classes may be studied full-time or in addition to an Examination Class or General Language class (limited location availability).

CONVERSATION & GRAMMAR

Overview

The OHC English Conversation and Grammar Skills Program focuses on; Developing Speaking Skills, Improving Pronunciation, Building Conversational Skills and greatly improving your English Grammar.

Objectives

This will help you express yourself confidently and effectively in spoken and written interaction, both socially, and in more formal settings and global situations (limited location availability).

INTENSIVE ENGLISH

Overview

Students join multi-national language classes and study 30 hours per week following a syllabus closely mapped to the Common European Framework of Reference for Languages, covering key language domains and competencies appropriate to their level of ability.

Objectives

This programme of study is intended to enhance the all-round language and communication skills of those who wish to work or study more effectively in an international context and to make maximum language gains during their time studying with Oxford House.

CAMBRIDGE EXAMINATION

Overview

If you already have a good knowledge of the English language and want a qualification to demonstrate this, a Cambridge Examination Course is suited just for you.

Our courses prepare students for:

- First Certificate in English (FCE)
- Certificate in Advanced English (CAE)
- Certificate of Proficiency in English (CPE)

These examinations are internationally recognised and among the world's best-known Qualifications. They are used by employers and universities globally as reliable indicators of competence in the English language (check location availability).

INTENSIVE TOEFL PREPARATION

Overview

Recognized by universities, colleges and businesses worldwide, the successful completion of the TOEFL iBT test can help you achieve your professional and academic goals.

IELTS EXAMINATION

Overview

Students join multi-national language classes and study 15 hours per week, covering key language domains and competencies required for the IELTS examination.

Objectives

This programme of study is intended to improve students' language skills for the IELTS examination and to develop examination technique to ensure students get the best mark they can. Students will complete regular 'mock' examinations and receive feedback on their performance.

1-TO-1 ENGLISH

Overview

You will have a personalised OHC English Programme based on a strategic needs analysis by OHC.

Objectives

You choose how many lessons you will have and on which topics and areas of language you would like to focus, depending on your personal objectives.

For example, you may wish to improve your Conversational English, to concentrate on your grammatical accuracy or develop your ability to read and write in English. We provide bespoke classes based on the General English or one of the specialist English curriculums.
